

Microsoft Select Agreement Application Process

Microsoft Select Agreement 6.1 - State and Local Government – Level D

Agreement No.: 01S64680

Term: 11/1/2003 through 10/31/2006

In order to purchase any Microsoft Select software products via this Agreement, the customer must complete a Microsoft Select Enrollment Form (Indirect Reseller version) for one or more of the respective DBM-2020-Desktop contractors authorized to sell COTS software. Consequently, if all Microsoft Select software will be purchased from the same DBM-2020-Desktop contractor, only one Enrollment Form must be completed.

The selected DBM-2020-Desktop contractor will then process the Enrollment Form with Software House International, which serves as the Microsoft Large Account Reseller (LAR). This process will establish a unique Enrollment Number, which will be used to track all such purchases.

If there are any questions concerning this process, please contact the DBM/OIT/Contracts & Project Management Division at (410) 260-7642 or via email at desktop@dbm.state.md.us.
